

Go2Resource

your IT resource partner

YOUR **FIRST CHOICE** FOR
TECHNICAL OUTSOURCING

A woman with long blonde hair and glasses is sitting at a desk, looking at a computer monitor. She is wearing a light-colored sweater. The background is a blurred office environment with windows. The image has a blue tint and is overlaid with dark blue diagonal banners containing white text.

WHO ARE Go2Resource

Go2Resource is a technology resourcing partner providing a complete contract resourcing service. We deliver a wide range of solutions for your technical resourcing needs, so whether you need one person or a complete team, our consultants are on hand to take the pain out of this process whilst providing people who are right for you.

We bring decades of knowledge and experience of working in the technology sector, focussing on a personal service to get the best understanding of your resourcing requirements. Our strength is gained through working in partnership with our customers. All organisations are different and each operates within their own unique environment, requiring a tailored service to match. We want to understand your business so that we make the best personnel choice for you. We aim to complement your existing personnel, so flex your teams to us when needed.

OUR APPROACH

Go2Resource is a relationship focussed company. We partner with our clients in order to develop a solid understanding of your organisation and objectives. By really understanding your business we are able to take away the pain of finding the right people for you.

We act as a single point of contact for any of your temporary resourcing needs, getting you access to the right people for your requirement based on independent non biased information.

Because we have partnerships in place with the leading channel professional resource providers, this allows us to not only provide you with the right people at the right time; it also gives us an unrivalled level of resilience due to our partners' variety of associate member consultants.

Let us take the pain and uncertainty out of your hunt for the right people (often at short notice).

We have access to the largest network of IT people in the UK, at rates that will not disappoint.
